Trinity Catholic High School seeks to appoint a talented and dynamic part time Teacher of Mathematics to work within our hugely successful Mathematics Department. We have an excellent Catholic Ethos with a strong leadership team. The Teacher of Mathematics position is available from September 2018. The ability to teach across all key stages 3, 4 and 5 will be an advantage.

Students currently follow the Edexcel syllabus at GCSE and at A level. The Mathematics department achieves outstanding results at Key Stage 3, GCSE and A level and all classes are taught in ability groups from Year 7 onwards.

Trinity Catholic High School prides itself in the following:

- An outstandingly successful and oversubscribed 11-18 mixed comprehensive school with 1673 students on roll.
- A Specialist Science and PE College and holds International School Award status.
- Continuously achieving outstanding results at GCSE and in 2017 we achieved our best ever results. The Progress 8 score of +0.51 is significantly above the national average and places the school in the top 12% of schools nationally. The percentage of students at 5+ in English and Mathematics is 65% and well above the national figure of 39%. 81% of our students attained the standard pass in both English and mathematics and 52 grade 9s were awarded across these two subjects.
- Judged as outstanding in both the December 2014 section 48 inspection and then again, for the fifth time in succession, as outstanding by OFSTED in March 2015.

This post would be suitable for experienced teachers or newly qualified teachers who feel they can make a significant and positive contribution to the Mathematics department and the school as a whole.
