Controlled Assessment

Syllabus: OCR J303 Full Course

Graphic Products Controlled Assessment Units

Introduction to Designing and Making - 30%

Designing and Making - 30%

A range of techniques must be used in the production of folders of work, e.g. computer, drawing, handwritten etc. The controlled assessment should be completed within the time limit of 20 hours set for each Unit. Controlled assessed work should be completed within the time limit and supervised and marked by the teacher. Due to the length of time, it will be produced over a number of lessons and time recorded.

Controlled assessment deadline - first lesson after February half-term 2012

All pupils are issued with a copy of the assessment criteria.

Students are issued with a controlled assessment booklet, marking criteria and exemplar materials. Students are strongly advised to follow these closely.
