28<sup>th</sup> February 2017

To All Members of our School Community:

Dear All,

As the record will attest and as you well know, I have, time and time again begged, pleaded and coaxed that students have money on their account before they buy food in our two dining halls. I do appreciate parental support on this but there are still very serious breaches of the system.

- This is wrong in principal. We are not running a free food distribution centre.
- It is wrong, in fact, because it is highly unfair for one student to have to pay for his/her food whilst another, for no good reason, is receiving free food day in, day out, week in, week out, month in, month out.
- I have also offered help to any family in need.
- **Accordingly, I have today issued a written instruction that children with no money on their food account can no longer take food in our two dining halls. This is to be implemented with immediate effect.**
- Once again, if you are experiencing financial difficulties and need help, then please contact our Director of Finance: [clare\\_burdfield@fc.tchs.uk.net](mailto:clare_burdfield@fc.tchs.uk.net)

I thank you for reading this.

Kindest regards,

Dr P.C. Doherty OBE
