20th June 2016

Letter [CC]

Dear Parents & Students,

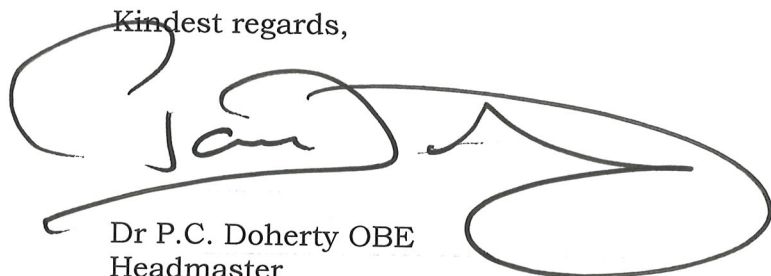

I do hope you enjoying the splendid weather. I would like to raise a number of points:

- We have all seen and watched the horror which engulfed those poor people in Grenfell Tower. On Friday 23rd June we shall have three minutes silence at 11.00am to pray for the victims and all those affected by that hideous fire. I do encourage students to attend the 8.20am Mass on the Lower Site or the 8.30am Eucharistic service on the Upper Site. In addition, we have Adoration of the Blessed Sacrament on the Upper Site and students are most welcome to visit the chapel to remember and to pray for all those affected by this terrible tragedy.
- We have our Higher Education Evening for Year 13 on Wednesday 21st June, 6.00 – 9.15pm.
- Like most headteachers, I am now a professional beggar but it's something I have to do for the good of the vision we follow and the children we serve. I would like to beg all parents to pay the £30 per term per family which is now due for the Summer term. You can pay by cheque made payable to "Trinity Catholic High School" or via Parentpay: www.parentpay.com

I do make an appeal to all parents to assist us on this important matter, making a special plea even to those whose children are now off roll and are finishing their public exams. Your usual generosity and outstanding support will be deeply appreciated.

I thank you for reading this.

Kindest regards,

Dr P.C. Doherty OBE
Headmaster
