23rd June 2017

Letter [DD]

Dear Parents & Students,

“The Return of the Prodigal.”

Everyone knows the story about the Prodigal Son, the young man who wandered off to do his own thing before coming to his senses and returning home where he was loved. Everybody wanted him back (except for the fatted calf)! The story represents people turning back to what they really need and want.

I appreciate there are students at Trinity who would desperately love a fresh start. If you are one of these, “The Return of the Prodigal” is tailor-made for you. In essence what it means: if any student would like to begin again he/she should inform me of this **in writing** no later than 3.45pm Monday 26th June. The Prodigal should declare that he/she intends to turn over a new leaf and prove to be an excellent student. If, during this last month of school, the Prodigal keeps his/her word, in the week beginning 4th September such a student may insist that all negative letters be removed from their file in their presence so the student can enter a fresh academic year with an unblemished record. If you believe this initiative applies to you, I look forward to hearing from you in writing before the end of school on Monday.

Non-uniform day: Please note: Wednesday 28th June will be a non-uniform day at Trinity. Students may wear sensible non-uniform in return for a fee of £1.00. All proceeds to the School Fund.

I thank you for reading this,

Kindest regards,

Dr P.C. Doherty OBE
Headmaster
