9th February 2017

Letter [P]

Dear Parents & Students,

Lunch Monies

A man insisted that the following epitaph be carved on his tombstone:

"I knew that if I hung around long enough

Something like this would happen."

I could say the same about the vexed question of lunch monies. I have made the appeal but the situation does not seem to be improving. If you need to embark on free meals or want a subsidy from the school, then please contact our Director of Finance, Mrs Clare Burdfield immediately on: clare_burdfield@fc.tchs.uk.net

Please remember you can top up your child's account through Parentpay: www.parentpay.com Having said all that, I can't allow the present situation to continue. From Monday 20th February, students who cannot pay for food, will not be allowed to take it. I have, under separate cover, written to all parents of those students who have been taking food all week without paying for it. We may well have to invite you up to the school for an interview. In the meantime, the ban will be imposed from Monday 20th February.

Book of Donations

You may recall my appeal at the beginning of the academic year for donations. I am very pleased to inform you that a beautiful "Book of Donations" had been filled in by a very skilled calligrapher. This book is now on display in its special case in the Lower Site Chapel. I took delivery of it this morning. You are most welcome to come in and view it.

Kindest regards,

Dr P.C. Doherty OBE
Headmaster
