Letter [L]

Dear Parents & Students,

- We do ask students to take great care in these winter conditions: use the pavement, cross the road by using the underpass or the zebra crossing. You must wear something light and bright so you can be clearly seen. Please remember snow turns very quickly into hard ice, so snowballing is strictly forbidden. Keep well away from frozen ponds etc, keep warm! Keep safe!
- Please remember tomorrow Tuesday December 12<sup>th</sup> is a non-uniform day. Students may wear sensible non-uniform in return for a fee of £1.00. All proceeds to the school fund.
- I do ask families to check the school website regularly during this wintry weather. We were unfortunate this morning as the First Class server went down, therefore the school message was late being displayed. My PA will also email parents regarding the situation (which is under constant review).
- Please ensure your children are wearing appropriate footwear during this weather: flimsy pumps are dangerous. The school will have an amnesty on uniform shoes during this period.

Thank you for reading this.

Kindest regards,

Dr P.C. Doherty OBE  
Headmaster
