A Level Results 2015

Trinity's 'AS' and 'A' Level students achieved outstanding results again this year. Although our 'A' Level pass rate is always high, this year's 98.9% pass rate ranks amongst our highest ever - a truly fantastic achievement! Our main headlines are as follows:

- **A* - E pass rate: 98.9%.**
- **A* - B pass rate: 53.3%**
- **22 of our 27 'A' Level subjects achieved a pass rate of 100%.**
- **24 of our 29 AS Level subjects achieved pass rates of 90% or higher (including 14 at 100%).**
- **The achievements of Trinity's 'A' Level students were once again above UK averages in almost every assessable category.**

673,040 students applied for a place at a UK university this year – the highest number ever. The process was incredibly competitive and securing a place was very challenging – especially on the most popular courses at the most popular universities. However, 98.6% of Trinity students were successful in their higher education applications and almost all of these are looking forward to taking up their places in the next few weeks. Trinity leavers will be studying a wide range of subjects - from Art History through Medicine to Zoology - and at universities the length and breadth of the UK (including almost every one of the Russell Group of universities). Congratulations and good luck to them all!
