Dear Parents

Year 11 arrangements from 5 June 2017

Please be advised that study leave for Year 11 students for their GCSE Examinations begins from Monday 5 June 2017. From this date, students are required to attend their examinations and certain specified lessons only – detailed on the attached. These lessons are designed to directly support students in their studies prior to examinations – some of these lessons are compulsory and some voluntary. Please refer to the attachment for further details. Subject staff will inform students of the revision classes available and the requirements for attendance.

Please note that whenever students come on site they must be in full school uniform and are subject to the school's behaviour code.

We wish your son/ daughter every success in their examinations.

Yours sincerely

Dr P C Doherty OBE
