## CHOOSING YOUR OPTIONS

All students take the following subjects: English, Mathematics, Science, Additional Science, RE and PE.

When choosing your options the following rules must be applied:

1. One of your choices **MUST** be **RE**.
2. If you wish to fulfil the **EBacc** you need to choose a **language** and **History** or **Geography** as two of your options.
3. If you wish to study the three sciences separately you need to choose Triple Science as one of your options.
4. The subject combination of Business Studies and Economics would not allow a broad curriculum.
5. The Booster English/ Maths group is arranged by consultation with Mrs Lowther.
